Mallee Rover Scout Activity Camp

Tapio Camp Location Details

- If you're coming from Victoria or NSW head towards Wentworth via Dareton. To make the trip shorter, as you come in to Dareton, on your right there is a road called "Fletchers Lake Road". Follow this road, it twists and turns, but don't turn off onto any small road. This road will continue for some time, going over a number of grids. Eventually after about 20-25km you will come to a T-intersection. Turn Left here (back towards Wentworth). About 1 km on your right you will find the road into the camp, follow the signs.
- If you are coming from SA, approx 25km before you get to Mildura, you can take the "Meridian Road", this will bring you to a T-intersection, turn left towards Wentworth and cross over the Abbotsford Bridge. Continue to Wentworth, crossing over the next bridge (Tuckers creek). Go straight ahead at the intersection; do not cross the next bridge (Darling River) to the left. Follow the road for about 25km and you will pass some sand hills on your right, river on your left, and you will find a road off to the left. Signs will mark the way into camp.
